Andrea Calderón Vasquez
1865 winemaker

“ I've always enjoyed being in contact with nature and the countryside. It's wonderful being able to combine that with the world of sensations and perceptions that produces such a noble product as wine.

Each place has its own expression and embodying that in a bottle involves a journey with a great team of people. This is a world where you work hard and never stop learning. ”

Date of Birth: 27th of August, 1990

Place of Origin: Santiago de Chile

Favorite Wine: 1865 Selected Collection Old Vines

Andrea, an Agricultural Engineer from the Pontificia Universidad Católica, has excelled as a young but dedicated professional. She began her career in 2014 carrying out harvests abroad in the Sonoma Valley, USA, before becoming part of the Premium Wines team at Viña Montes.

In 2014 she joined Viña San Pedro's Premium Brand team aiming to build upon the winemaking identity at the winery with the country's most important and iconic viticultural origins. In this way, the true homeland that Chile has to offer can be revealed through the 1865 range.

Today, Calderon rises to the important challenge of taking wines from the 1865 portfolio to the highest quality level, exploring new frontiers and innovating with her professionalism and winemaking experience.

Currently, Andrea will be in charge of crafting 1865 three ranges: Selected Vineyards, Selected Collection and Selected Blends.
